Importance of Berthing places/ Car dropping places

* Undividable connected with the execution of the Inland Waterway Skipper/ Operator.
* 24-hr operations, but not always 7 days/ week
* Using Ship’s anchor today not always possible or desirable today.
* Fleet composition: small and bigger/ multiple units.
* Social function.
* Car droppings versus safety.
Belang van ligplaatsen / afzetplaatsen
Belang van ligplaatsen / auto-afzetplaatsen
Conflicting interest of berthing places / car droppings

* Along the River is attractive to life.
* Does that match with the River as water highway?
* In the Netherlands project developers have obligation to mention this in their brochure: how in ........
* Shore power is a must for general acceptance and environment.
Car dropping location Köln
